

CORPORATE

Background

Our Mission

To bring FAIR and BETTER Alternatives to connect and enrich lives.

REDTONE INTERNATIONAL BERHAD

We at **RED**tone, has been offering telecommunications services and solutions as well as office communications solutions since 1996, under our founding company, **RED**tone Telecommunications Sdn Bhd.

We have earned a reputation for delivering better alternative services, which are affordable with good system performance and excellent back-up support. Our company is known for our solid R & D capabilities and home-grown technological innovations. We hold Multimedia Super Corridor (MSC) status and won more than 18 awards over the past 10 years. We provide communications and multimedia services that are categorised under broadband, data, voice and Travelfon, a no roaming charge mobile phone service that offers users the cheapest calls when they travel.

We hold the Network Facilities Provider (NFP), Network Services Provider (NSP), Applications Service Provider (ASP) and 2.3Ghz Broadband Wireless Access (WIMAX) and Satellite licenses that are awarded by the Malaysian Communications and Multimedia Commission.

Our head office is in Malaysia and it has presence in Singapore, Hong Kong, China and Pakistan.

REDtone International Bhd incorporated in 2002. We listed on the Malaysian Exchange Of Securities Dealing & Automated Quotations (MESDAQ) market of Bursa Malaysia in January 2004.
