### **REDTONE SABAH HELPS FLOOD VICTIMS** *Contributes essential supplies to badly hit Membakut residents*

**Kuala Lumpur, Monday (February 9, 2015)** – REDtone International Bhd's (REDtone) office in Sabah helped to ease the burden of flood victims in Membakut in the south-western district of Beaufort, Sabah by collaborating with United Pasokmomogun Kadazan Dusun Murut organization (UPKO) to deliver essential supplies.

The company aided by its 30 staff members contributed food items such as rice, sugar, drinking water, noodles, biscuits and other basic essentials which were distributed to families in the sub-district of Membakut where most parts were underwater due to the torrential rain.

Vehicles were deployed from Kota Kinabalu to transport the items to Kampung Bandau in Membakut and also to Kampung Bahagia in Sipitang.

REDtone's Group CEO Lau Bik Soon said, "Our hearts go out to all those who have been badly affected by the flood. When we heard how bad the situation was in Membakut, we immediately got the staff together and everyone reacted swiftly by lending a helping hand to alleviate the flood victims' distress.

"We hope our small contribution will provide some comfort to them as they rebuild their homes and lives."

#### **About REDtone International Bhd**

REDtone International Bhd is an integrated telecommunications solutions provider catering to niche market segments. It is listed on Bursa Malaysia. A well respected home-grown brand founded in 1996, REDtone has evolved from a voice provider to one that offers an extensive range of services under four main categories: (i) **telecommunications services** – it offers data and voice services to government, enterprises and SMEs. REDtone is the only service provider in the industry to provide infrastructure integration expertise. Its access to a unique suite of last mile technologies also enables it to offer broadband-on-demand. (ii) **managed telecommunications network services** – this includes building, maintaining and operating large scale WiFi hotspots, base stations and fiber infrastructure. (iii) **managed value-added services** – it offers data centre services, cloud services and applications and healthcare solutions to enterprises, government and healthcare industry. (iv) **mobile services**.

Beyond Malaysia, REDtone operates in Shanghai, China under REDtone Asia Inc, a US OTC Bulletin Board-listed company. Its China business is discounted call services and mobile reload.

REDtone's strong commitment in R & D has yielded technological innovations that have won the Multimedia Super Corridor (MSC) status company over 22 awards in Malaysia and abroad. It currently has eight patents pending for its technological breakthroughs. For more information, please visit [www.redtone.com](http://www.redtone.com).
